

Pakuranga Plaza will remain open for trade and there will be a new retail store, Panda Mart, taking over the Farmers site in early 2024. Pakuranga Plaza is also undertaking a major redevelopment, which is currently in the resource consent stage. Rest assured that the Plaza's doors will remain open throughout to continue servicing the community, and updates will be available once the Council process is completed.

If you have any queries regarding the works by Auckland Transport going on in the area, you can contact the Eastern Busway at info@easternbusway.nz or 0800 287 929 – unfortunately we do not have any control over these works.

Thank you for being a loyal shopper at Pakuranga Plaza and we look forward to announcing the exciting plans we have in store for the future.

Warmest regards,
Pakuranga Plaza team

SINCE 1988
