

Pakuranga Plaza Shops are open for trade!

Rest assured that the Plaza's doors will remain open while the Auckland Transport works in the area are completed to continue servicing the community. The car park under The Warehouse is still available to use and can be accessed using the entry shown in the below image.

If you have any queries regarding the works by Auckland Transport going on in the area, you can contact the Eastern Busway at info@easternbusway.nz or 0800 287 929. Unfortunately, we do not have any control over these works.

Thank you for being a loyal shopper at Pakuranga Plaza and we look forward to announcing the exciting plans we have in store for the future.

Warmest regards,
Pakuranga Plaza team
